MEDICAID, MEDICAID BUY-IN FOR CHILDREN AND CHIP

Medicaid and the Children's Health Insurance Program (CHIP)

Can help you cover medical expenses for children and people with disabilities who meet income requirements. Medicaid Buy-In for Children can help pay medical bills for children with disabilities. This program helps families who need health insurance, but make too much money to get traditional Medicaid. Most Medicaid services (plans) in Texas and all CHIP services are delivered through providers called managed care organizations.

STAR Kids

Is a new Medicaid program for children and adults 20 or younger who have disabilities. Under STAR Kids, you will get basic medical and long-term services and supports through the health plan's provider network. You also will get Medically Dependent Children Program (MDCP) waiver services through the health plan's provider network, if you are eligible.

1-866-566-8989

STAR+PLUS

Is a Medicaid program for people who have disabilities or are age 65 or older. People in STAR+PLUS get Medicaid basic medical services and long-term services through a health plan, also called a managed care plan.

1-866-566-898

CHIP-Children's Health Insurance Program

Children in Texas without health insurance may be able to get low cost or free health coverage from the Children's Health Insurance Program (CHIP) or Children's Medicaid. Both programs cover office visits, prescription drugs, dental care, eye exams, glasses, and much more.

Social Security Administration

The Social Security and Supplemental Security Income disability programs are the largest of several Federal programs that provide assistance to people with disabilities. While these two programs are different in many ways, both are administered by the Social Security

Administration and only individuals who have a disability and meet medical criteria may qualify for benefits under either program.

NAMI Texas' online support groups are a place for people affected by a mental health condition - whether it's a person who lives with a mental health condition or a family member, friend or caregiver whose loved one is living with a mental health condition. Participants can discuss challenges, share coping skills, and offer one another support, regardless of where they are in Texas. The groups are led by trained peers and family members; people who understand firsthand the challenges we face.
